On February 4, 2025 at its first meeting of the new year, the UC Denver Faculty Assembly published a resolution reaffirming support for students, colleagues, and community. On March 19, 2025, the UCCS Campus Faculty Assembly also reiterated commitments to free speech, academic freedom, and a community in which all are welcome and included. These Resolutions can be found on the respective Campus Faculty Assembly websites. The Faculty Communications Committee will continue to post new resolutions as they are approved.
