Congresswoman DeGette Discusses Climate Change at CU Denver [1]

May 22, 2019 by Natalie Barry [2]

Congresswoman Diana DeGette joined a roundtable at the University of Colorado, Denver CU Denver to discuss the short and long term effects of climate change in Colorado, and across the nation and the world. CU researchers from Boulder, Denver, and Anschutz participated in the conversation, which focused on current scientific observations as well as the impact on the environment and public health. Congresswoman DeGette is chair of the House Energy and Commerce Subcommittee on Oversight and Investigations.
