

CU Anschutz Medical Campus Cancer Center Director Presents to the House Public Health and Human Services Committee ^[1]

March 19, 2015 by Natalie Barry ^[2]

On February 24, Dr. Dan Theodorescu, Director of the University of Colorado Cancer Center gave a presentation to the House Public Health and Human Services Committee on the innovative research and treatments taking place at the CU Anschutz Medical Campus, especially in the area of personalized medicine. The committee members were incredibly impressed by his work.
