CU Boulder Aerospace Day at the Capitol [1]

May 25, 2017 by Natalie Barry [2]

CU students set up and manned a booth for Aerospace Day at the Capitol. Senator Steve Fenberg (D-Boulder) hosted the CU students and Senators Nancy Todd (D-Aurora) and Randy Baumgardner (R-Cowdry) sponsored the resolution in support of all the contributions to and leadership in aerospace in Colorado. The March 20 event gave CU Boulder Aerospace students the opportunity to showcase their research and program opportunities.
