May 25, 2017 by Natalie Barry [2]

Staff Council members from the University of Colorado Denver, University of Colorado Colorado Springs, University of Colorado Boulder, University of Colorado Anschutz Medical Campus, and University of Colorado System spent a recent morning at the state capitol. During the March 11 event the group heard from Senator Steve Fenberg (D-Boulder), had a tour of the capitol dome and sat in on floor work in both the House and the Senate.
