Ask faculty to update contract payment schedules by July 11 m

April 22, 2025 by Employee Services [2]

University of Colorado faculty on a contract have the option to choose to change their contract payment schedule for the 2025-26 academic year between May 1 and July 11.

Faculty members have until 5 p.m. (MT) July 11 to select their new schedule in the employee portal by following this guide.

Two payment schedules are available:

Faculty Academic Year payments (August – May):

• For CU Boulder, CU Denver | Anschutz Medical Campus and UCCS, academic year salary will start in August, paying Aug. 31 to May 31.

Faculty 9/12 payments:

Note: Employees may elect this option only if they do not exceed the maximum deferred compensation limit in 2025. Please refer to the employee portal or <u>faculty election page</u> ^[3] for additional information. More information can also be found in the IRS's <u>2025 General</u> <u>Instructions for Forms W-2 and W-3</u> ^[4] on page 12, under the heading "Nonqualified deferred compensation plans."

• For CU Boulder, CU Denver | Anschutz Medical Campus and UCCS, academic salaries will be paid from August 2025 through August 2026.

If no changes are made, then the previously chosen election will continue.

Reminder: Once faculty have chosen their payment schedule, they may not revoke or change their schedule for the plan year.
