Each year, per Board of Regents Policy 11-E [3], the University of Colorado asks employees to verify the accuracy of their sick and vacation leave in the employee portal [4]. The Annual Leave Certification process is currently underway, and as of July 25, the Annual Leave Certification balances will include vacation and sick leave taken in June.

We ask HCM users to remind faculty and staff in their departments to certify their leave.

In My Leave, the July beginning balance should agree with the leave certification balances.

### Checking your leave

To check your Leave Certification balance against figures in My Leave, you should:

1. Set your My Leave calendar to **July 2018**.
2. Review figures in the **Usable Balance** column.
3. Compare My Leave’s **Usable Balance** figures with the Annual Leave Certification’s **Ending Balance** column. If these figures match, you can certify your leave.
