

## December go-live dates set for Elevate upgrades [1]

October 23, 2015 by [Employee Services](#) [2]

Last Friday, campus and project leadership extended the project timeline to allow campus HCM, CU Careers and FIN users additional time to familiarize themselves with the soon-to-be upgraded systems through webinars, testing, step-by-step guides and other resources.

This approach will allow campuses and departments to establish, refine and streamline business processes in relation to the newly available systems and tools.

### New Go-Live Dates:

**HCM:** Dec. 3

**CU Careers\*:** Dec. 3

**FIN:** Dec. 10

*\*Note: Job postings will be visible to the public starting 12:01 a.m. Dec. 5.*

In the coming days, we will present users with updated timelines, resources and guides to best prepare for a December go-live. Visit the [Elevate project website](#) [3] for the latest news.
