As part of PERA legislation (Senate Bill 18-200) signed into law on June 4, 2018, University of Colorado Classified Staff newly hired/newly eligible on **Jan. 1, 2019 or later** may have the option to choose between the PERA Defined Benefit (DB) Plan and PERA Defined Contribution (DC) Plan.

Additional information, resources for Human Resources managers and new employees

Electing between the two plans depends on a new employee's Job Classification and PERA history. Changes **do not** affect current CU Classified Staff/PERA members; they apply **only to Classified Staff new hires/newly eligible Jan. 1, 2019 or later**.

The following resources provide more information about the plans and changes:

 - Eligible employees will receive a PERA Classified Options letter describing options available to them.
