

Enter faculty elections by Friday ^[1]

September 12, 2016 by [Employee Services](#) ^[2]

Contract faculty must select their payment terms- either to be paid over nine or 12 months - by 11:59 p.m. Friday, Sept. 16.

HCM users enter this annual election through the ePAR Faculty Election transaction page. On Sept. 17, access to this page will be removed.

If you miss this deadline, any elections updates must be sent to Employee Services.
