ePAR funding update discontinuation rescheduled for May 29 [1]

May 29, 2018 by Employee Services [2]

Due to ongoing issues with funding updates entered on ePAR forms, the June 1 ePAR update [3] has been rescheduled for **this afternoon, May 29**.

After this change is implemented, ePAR forms will no longer update the department budget table. Funding information will remain visible on the form, but any necessary updates must be made directly from the CU Funding Entry page [4]. To ensure you are able to see these changes, please clear your cache [5].

We apologize for any inconvenience this may cause.
