

The FY20 funding rollover process is complete. Here are your next steps ^[1]

July 1, 2019 by [Employee Services](#) ^[2]

The FY20 funding rollover process was completed June 27. During this process, the most current FY19 position funding row was copied to the new Department Budget Table (DBT) effective **July 1, 2019**.

All active positions have a new DBT **unless a FY20 row already existed**. Funding end dates were not altered.

Next steps

Verify funding for the 7/1/19 rows with **Funding Distribution**, then create new funding rows if needed to ensure funding end dates do not expire for payroll processing.
