

Get the word out to employees about paycards ^[1]

June 1, 2014 by [\(not verified\)](#) ^[2]

Help spread the word: Employees who currently receive paychecks have less than two weeks to sign up for direct deposit before their paper pay will be permanently replaced with paycards.

Help us transition affected employees to one of these two pay formats by downloading, printing and posting in your office CU's paycard fliers ([English](#) ^[3] and [Spanish](#) ^[4] versions available). Information includes:

- June 9 is the deadline for employees paid biweekly to sign up for direct deposit
- June 11 is the deadline for employee paid monthly to sign up for direct deposit
- Employees who receive paper paychecks and do not sign up for direct deposit by the deadlines will automatically be mailed paycards.
- Employees already enrolled in direct deposit won't be impacted by this change.

Learn more at www.cu.edu/es/paycards ^[5].
