If you're wrapping up tasks this weekend, you may still access HCM and My Leave this Sunday despite scheduled portal maintenance.

All production services, including HCM and My Leave, will be down sometime between 10 p.m. Saturday, June 18 and 6 p.m. Sunday, June 19 as University Information Systems improves performance and security.

While the portal undergoes maintenance, you will be able to access HCM starting around 7 a.m. Sunday.

To access HCM, please navigate to the portal, where you will be redirected to a temporary maintenance page. Then, simply enter your CU credentials to access My Leave, HCM and Reporting software.
