

Known issue: benefit program errors [1]

June 29, 2016 by [Employee Services](#) [2]

We are working to correct an uptick in "benefits program" errors.

To identify transactions with the "FUNCLIB_BEN.BENEFIT_PROGRAM" error, click the

Preview button at the top of your window and select **View All** on **All Panels**. This displays a list of transaction errors and warnings.

	SQL error in Exec. (2,280)	
6	FUNCLIB_BEN.BENEFIT_PROGRAM.FieldFormula Name:WriteBPPScroll PCPC:11071 Statement:148 Called from:JOB_DATA.GBL.SavePostChange Statement:3	
7	Error saving Component Interface. {SM_PF_JOB_DATA_CI} (91,37)	SM_PF_JOB_DATA_CI

Once you've identified transactions with this error, please send a list of the identification numbers to HCM_Community@cu.edu [3] with the subject line **SQL-Benefit Error**. Our HCM Systems team will process them on your behalf.

We are working with University Information Systems to resolve this issue as quickly as possible.
