

## **Mark down these salary upload deadlines** <sup>[1]</sup>

June 16, 2016 by [Employee Services](#) <sup>[2]</sup>

The salary uploads for 12-month faculty, University Staff, Classified Staff and Medical Residents will take place on Thursday, June 30 with an effective date of July 1.

In preparation, please ensure that existing transactions have been approved and/or have made it to System Update Completed status by **Friday, June 24**. After that time, do not enter new transactions for affected employees until we send a blog notification stating these uploads have finished.

As a result of the General Professional deconsolidation for Classified Staff, Employee Services has added new job codes to the HCM System. Following June monthly payroll, we will move General Professionals to their new job codes per mapping instructions provided by the Campus HR Offices.

If you have questions regarding salary uploads, please email [HCM\\_Community@cu.edu](mailto:HCM_Community@cu.edu) <sup>[3]</sup> and include **Salary Uploads** in the subject line.
