

## **New workflow rolled out for transaction pages** <sup>[1]</sup>

June 21, 2016 by [Employee Services](#) <sup>[2]</sup>

We've implemented the second installment of workflow changes requested by campus HR offices.

Going forward, new transactions will follow this workflow version. Please note that any transactions already in progress will follow the first iteration of the workflow changes, which we rolled out April 28.

Campus testers have provided us a list of more workflow enhancements, and we are working closely with HR offices to develop and roll out these improvements in the coming weeks.
