

Prepare for reviews and evaluations: Staff performance cycle ends Jan. 31 ^[1]

January 12, 2018 by [Employee Services](#) ^[2]

It's almost time to give performance reviews. The university staff performance cycle ended on Dec. 31 for CU Denver and CU Anschutz, and ends on Jan. 31 for CU System, UCCS and CU Boulder. All university staff should be reviewed in February and evaluations must be submitted to your campus Human Resources department by March 1.

Remember, merit increases still take effect on July 1, despite the earlier review period.

Upcoming deadlines for university and classified staff

Deadlines for university and classified staff are different. Review the timelines for each below.

University staff review cycle

- **March 1:** Your campus HR office must receive all performance evaluations. In March, all supervisors should set goals for the next review period with each employee.

Classified staff review cycle

- **April 1:** The performance cycle begins. All classified staff must be evaluated in April.
- **May 1:** All evaluations must be turned in to your campus HR office. In May, meet with each classified staff employee to discuss goals for the year.
- **June 1:** Submit a copy of the front page of the performance plan to your campus HR office.

Review procedures differ by campus, so please reach out to the [Boulder](#) ^[3], [Denver](#) ^[4], [UCCS](#) ^[5] or [System](#) ^[6] HR offices for your campus's performance management information.
