

## Recently-updated HCM and CU Careers guides <sup>[1]</sup>

March 24, 2016 by [Employee Services](#) <sup>[2]</sup>

We recently changed the way we store guides on the HCM Community website to make resources easier to find. Each step-by-step and quick reference guide now lives on its own Web page, which includes a “last published” date and a brief description.

To ensure you’re working from the most accurate, up-to-date information, we encourage you to bookmark these new URLs. That way, you’ll always have the most recent guide for your reference.
