Ready for the summer contract push? [Join us for a webinar 10 a.m Tuesday, March 29](#) ^[3], that will walk through three transaction pages related to contracts: Hire, Pay Rate Change and Contract Pay. We'll also show you how you can check your work with the Contract Payment Details page.

You still have time to register for the [Percent of Time and FTE mini-webinar](#) ^[4], which we rescheduled for 2 p.m. Friday, April 1, due to last week's inclement weather closures. In this short demo, we'll explain the difference between the two values and how to enter them correctly.

You can find registration links and question forms on our [HCM Events page](#) ^[5]. Can't make it? We'll post the recordings to the HCM Community site early next week.

We hope to see you there! Stay tuned for more HCM webinars.
