It's almost time for performance reviews. The university staff performance cycle ended on Dec. 31 for CU Denver | Anschutz Medical Campus, and ends on Jan. 31 for CU System, UCCS and CU Boulder.

Despite the earlier review period, merit increases still take effect on July 1.

### **Upcoming deadlines for university and classified staff**

Deadlines for university and classified staff can be found below.

#### **University staff review cycle**

- **February:** All university staff should be reviewed and have performance conversations with their supervisor.
- **March 1:** Your campus Human Resources office must receive all performance evaluations. In March, supervisors should set goals for the next review period with each of their employees.

#### **Classified staff review cycle**

- **April 1:** The performance cycle begins. All classified staff must be evaluated in April.
- **May 1:** All evaluations must be turned in to your campus HR office. In May, meet with each classified staff employee to discuss goals for the year.
- **June 1:** Submit a copy of the front page of the performance plan to your campus HR office.

Review procedures differ by campus, so please reach out to your campus HR for performance management information:
