The following fixes affecting Payroll Expense Transfers (PETs) were implemented this week:

- An issue causing deduction and tax distribution errors for some PETs at CU Colorado Springs, CU Denver and Anschutz Medical Campus has been resolved.
- PETs having a \$0 change for sponsored projects will no longer route for Grants approval.
- A reporting issue causing **No Earnings/Deduction/Tax Match found** text to display instead of the PET ID has been resolved. The CIW will be updated accordingly.
