

Track progress and updates of known HCM issues, fixes and enhancements with new HCM Issues List ^[1]

September 26, 2017 by [Employee Services](#) ^[2]

Looking for the status of an HCM issue? Stay up-to-date with the new HCM Issues List in SharePoint.

This list can be used to track progress on outstanding HCM concerns and enhancements in one stop.

Find information about:

- Current issues, fixes and enhancements with a brief description of each.
- Known workarounds for system problems users can follow until the issue is resolved.
- The status of each item, whether resolved or still being worked on by our teams.
