

User alert: new fix rolled out for transaction page errors ^[1]

June 15, 2016 by [Employee Services](#) ^[2]

This morning, we implemented another fix for transaction page errors. Please clear your cache before entering any new transactions (**Ctrl + Shift + Delete** for Windows or **Command + Shift + Delete** for Mac).

If you still encounter errors, please call 303-860-4200, ext. 2, option 2.

We apologize for any inconvenience.
