

User alert: payroll register errors ^[1]

December 21, 2015 by [Employee Services](#) ^[2]

Several users received errors when trying to run payroll registers. Employee Services is working on the issue, and we will send a communication once it is resolved.

For now, please hold off on running payroll registers. You do not need to call or place any additional tickets, as we are working diligently to correct this.

We appreciate your patience and understanding.
