

User alert: workflow issues fixed ^[1]

June 22, 2016 by [Employee Services](#) ^[2]

We have corrected [today's workflow issues](#) ^[3]. Transaction approvals should now route as expected.

Please clear your cache before entering any new transactions (**Ctrl + Shift + Delete** for Windows or **Command + Shift + Delete** for Mac). The HCM support team will process all transactions initiated between yesterday afternoon and today.

We appreciate your patience and apologize for any delays.
