

## **Welcome to the HCM Community website** <sup>[1]</sup>

October 21, 2015 by [Employee Services](#) <sup>[2]</sup>

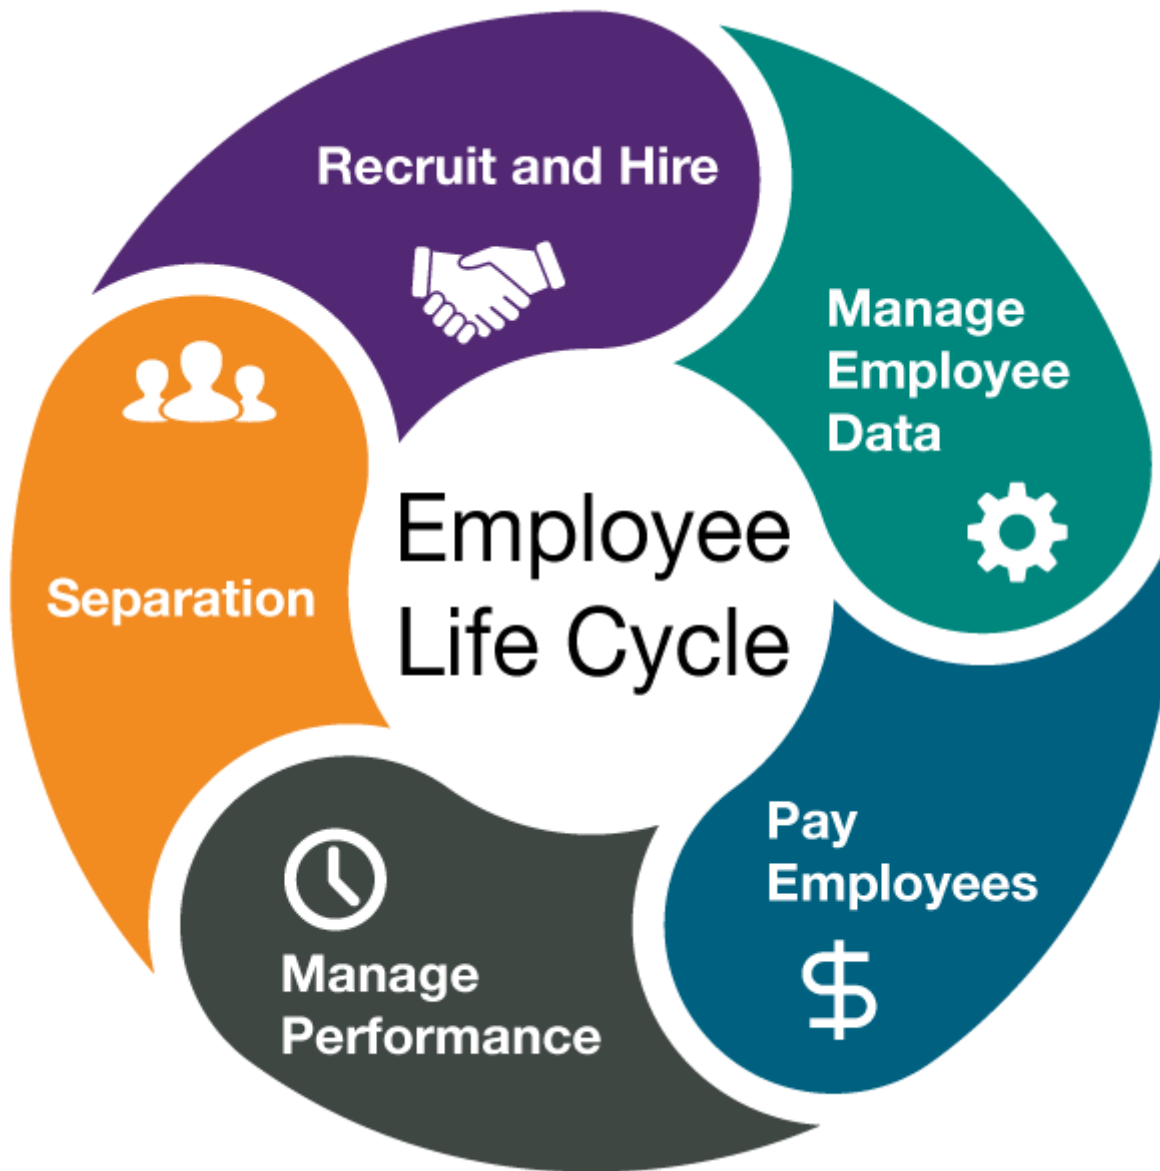

We're excited to debut a website just for you, HCM Community! Find it here: [www.cu.edu/hcm-community](http://www.cu.edu/hcm-community) <sup>[3]</sup>

Think of this site as a hub for all your HCM and CU Careers needs. Combining CU policies with practical guides, you'll find a package of resources and information for handling each phase of an employee's career: Recruit & Hire, Manage Employee Data, Pay Employees, Manage Performance and Separation.

For your reference, we've also added sections on Running Reports and Getting Started: Training, so you can hone your skills before go-live and afterward. You'll find help information on each page, too.

The HCM and CU Careers systems are new and primed to add new features, and so is the HCM Community website. [Let us know what we're missing](#) <sup>[4]</sup> and we'll use your feedback to drive future site expansions and make the site work better for you.

As we continue to refine our systems, we'll add new information, guides and FAQ to the site. When we do, a blog post will let you know about immediately. [Subscribe to the HCM Community blog](#) <sup>[5]</sup> to make sure you're in the loop!

## [6] **Website Spotlight: Recruit and Hire**

Our new recruiting/hiring tool, CU Careers, vastly improves the job search process for HR professionals and candidates alike. Under the “Recruit and Hire” section [7], you'll find step-by-step guides that walk you through creating/modifying positions, generating job postings and moving candidates through the selection process. You'll also recorded versions of recent webinars and more. Please use these resources to master the new system and for backup/troubleshooting in the future.
