Upcoming CU-Data (Cognos) 101 Training Oct 24th [1]

October 15, 2019 by Elizabeth Snow-Trenkle [2]

This training session will be an overview and introduction to Cognos along with a discussion of the ongoing upgrade rather than an advanced deep dive, although we have included some advanced topics as options in the agenda that we can dive in to if the group is interested.

Potential agenda included in Word document.

If you would like to reserve a spot in the training, please email Elizabeth at Elizabeth.Snow-Trenkle@cu.edu [3].

Thank you!
