Become a better team member in class and out in the world with these helpful tips [1]

March 6, 2023 by Employee and Information Services [2]

Teams are everywhere, whether in class, at work or in clubs and intramural sports. In “Being an Effective Team Member [3]” with Dr. Daisy Lovelace, you will learn all about how to be an integral part of any team.

There are many qualities that make up an effective team member and this course will teach you about the most important ones. In just 31 minutes, you’ll learn how to be reliable, positive, collaborative, and many more.

This course will teach you how to think strategically on a team to make it more effective. Being proactive is also a vital asset to any team and this course will teach you how you can be more proactive when working as a team so any task can run smoothly.

This course wraps up by teaching you how to know yourself so you can better understand others, an important skill in teamwork. Start learning now about how you can be the team member that any team is worse without.
