“How do I get access to m-Fin?” [1]

October 9, 2012 by Carl Sorenson [2]

[May 2018 revised] m-Fin reports are in the Finance folder the CU Data system. Go to your campus portal. Click on the *CU Resources* tab. Then in quick links, click on *CU-Data.* This should transfer you into the CU-Data system. Click into *team content, finance.* You are allowed in if you have a CU fiscal role or you have access to CU’s PeopleSoft Finance system. You may already have one of these. If not, the simplest to obtain is Speedtype Fiscal Staff [3].

An on-campus Internet connection or VPN is required.
