# Clinical Trial Project Payment Received [1]

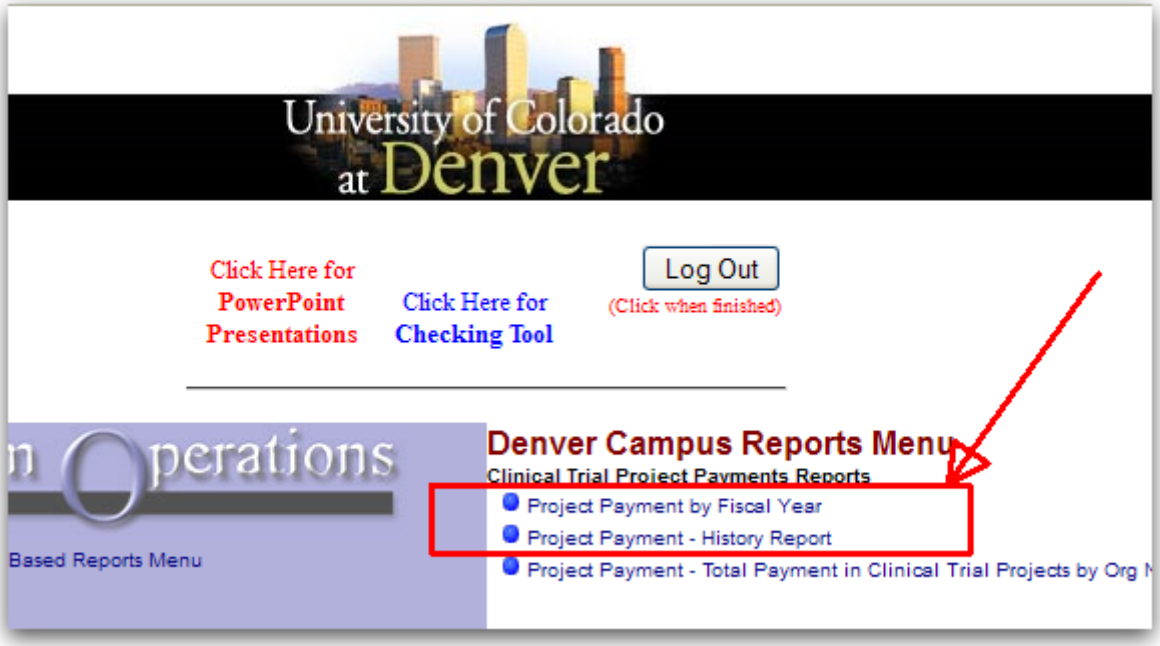

January 17, 2012 by Carl Sorenson [2]

You have billed your granting agency for a part of a Clinical Trial. Do you need to see if payment has been received? Please test **m-Fin PAYMENTS RECEIVED** available to you now in Cognos QA [3]. If you have feedback please leave a comment below.

This report lists non-cash transactions having source code AR (or code S01 if you are looking back a few years). This also is known as payments *paid and applied*.

## accounting.cudenver.edu Reports Going Away

We intend **m-Fin PAYMENTS RECEIVED** to replace the first two reports at http://accounting.cudenver.edu/default.asp?OP=data [4]. If you have been using those reports (shown here) please transition to m-Fin.

**Display Title:**
Clinical Trial Project Payment Received
