

Cognos m-Fin Reports Update ^[1]

June 27, 2013 by [Carl Sorenson](#) ^[2]

Good (Cognos) news: We recently migrated several m-Fin reports from the Cognos QA test environment to the Cognos production environment. Better input validation! More data elements! Learn about these enhancements at <https://www.cu.edu/controller/initiatives/reporting/?p=2784> ^[3].

More good news: No more m-Fin production migrations until *after* FY 2013 year-end close!
