

Decommission of m-Fin reports in old CU Reporting System ^[1]

August 9, 2017 by [Sarju Khadka](#) ^[2]

CU-Data went live as the official m-Fin system on May 1, 2017. It has been over few months and everything has been running smoothly with no major downfalls. Hence, OUC wanted to remind the users that the old m-Fin system is going away. The m-Fin reports in Cognos 10.2.1 aka CU reporting system will be removed from service Thursday, August 31 2017. The official, supported versions of the reports are in the new <https://cu-data.cu.edu/bi/> ^[3] system.

For help getting going with the new CU-Data system, see <https://www.cu.edu/controller/getting-ready-cu-data> ^[4]
