

Denver CIW Transition To m-Fin Training ^[1]

September 21, 2011 by [Carl Sorenson](#) ^[2]

OUC is offering training to assist with the transition from the [Denver Web Reports](#) ^[3]. This training is available during the month of October. It is demonstration style, rather than hands-on lab. Come see the m-Fin reports in action, and how to use them to get similar data. Give us feedback. To sign up, click on the *Training Registration* tab at the top of this blog.

[OUC](#) ^[4]'s Lisa Vallad and I will be presenting.
