Drills Added To m-Fin EXPENDITURE TYPE SUMMARY [1]

October 9, 2014 by Carl Sorenson [2]

m-Fin EXPENDITURE TYPE SUMMARY improvements are ready for you to test in Cognos QA. Actuals amounts are drillable and we've added single speedtype mode [3].

OUC testing is already complete and so we are hoping to migrate it to production soon.
[Migrated to production Oct 2014]
