Enhancements to m-Fin SPEEDTYPE ONE-LINER report [1]

September 11, 2020 by Sarju Khadka [2]

We have made a few changes/additions to m-Fin SPEEDTYPE ONE-LINER. Below is the list of all the changes:

- Added ASSETS AND LIABILITIES prompt on the second prompt page of the report. This prompt allows you to discard speedtypes that have no assets or liabilities.
- Assets and Liabilities and FY actuals columns are now displayed as a default report columns and are removed from the EXTRAS prompt.
- UNP Designation has been added as an option on the EXTRAS prompt.
- Expense Purpose Code (EPC) has been added as a subtotal grouping option.

The updated report with the changes above has been migrated to cu-data production.
