Fiscal Roles Employee Name Search [1]

September 10, 2014 by Carl Sorenson [2]

m-Fin FISCAL ROLES now has a search prompt for employee. Don't know the employee id number for the person you have in mind? No biggie. Use the search prompt's *Contains any of these keywords* option to search by name. As usual, this new version of the report is available for you to test in Cognos QA and once it passes testing we'll migrate it to production. **[Oct 2014 - This version of m-Fin FISCAL ROLES is in production now.]** It's under Public Folders ?> CU Reporting ?> Finance ?> Look Ups?.
