Improvements To 3 Reports In Production [1]

October 18, 2011 by Carl Sorenson [2]

New versions of three m-Fin reports have migrated to Cognos production.

1. **m-Fin ACCOUNT NUMBER**
   Now can page by org or pgm/proj [3].
2. **m-Fin ACCOUNT RANGE BY FUND**
   Drills work properly when run for a set of speedtypes.
3. **m-Fin TRIAL BALANCE SUMMARY**
   Orgnode prompt. Award Code prompt. Single Speedtype Mode [4]

To see all of the reports, you may need to use the paging controls in the upper right area of the Cognos window.
