Improvements To 3 Reports In Production III

October 18, 2011 by Carl Sorenson [2]

New versions of three m-Fin reports have migrated to Cognos production.

- 1. **m-Fin ACCOUNT NUMBER** Now can <u>page by org or pgm/proj</u> [3].
- 2. **m-Fin ACCOUNT RANGE BY FUND** Drills work properly when run for a set of speedtypes.
- 3. m-Fin TRIAL BALANCE SUMMARY Orgnode prompt. Award Code prompt. Single Speedtype Mode [4]

To see all of the reports, you may need to use the paging controls in the upper right area of the Cognos window.
