Improvements To Compensation Summary Report [1]

May 1, 2014 by Carl Sorenson [2]

Improvements to **m-Fin COMPENSATION SUMMARY** are ready for you to test in Cognos QA: **[15-May-2014 Migrated to production.]**

- *Resize* button for when the search list boxes need to be wider.
- Improved input text validation on the ADDITIONAL SEARCH CRITERIA.
- REPORTS TO prompt. Entering a position number limits the search results to just those people in positions that report to it.
- We also updated **m-Fin PAYROLL TRANSACTIONS** in order to keep it built similarly and working properly for drills from m-Fin COMPENSATION SUMMARY.
