Improving Input Validation [1]

June 14, 2013 by Carl Sorenson [2]

We have put the improved input validation [3] into the following reports and they are ready to test in Cognos QA. **[19-Jun-2013 migrated to production.]**

1. **m-Fin BALANCE SHEET SUMMARY.**
2. **m-Fin BALANCE SHEET TOTAL.** We have not put a validator on the FUND prompt. It did not work well for this particular type of prompt.

3. **m-Fin ACCOUNT RANGE BY FUND.**
4. **m-Fin BUDGET TO ACTUAL.** This report also now has support for multiple values in the text box prompts.
5. **m-Fin EXPENDITURE TYPE.**
6. **m-Fin EXPENDITURE TYPE SUMMARY.**
7. **m-Fin K EXHIBIT.**
