m-Fin ACCOUNT NUMBER [1]

October 22, 2024 by Sarju Khadka [2]

We have made a couple of changes to the m-Fin ACCOUNT NUMBER report.

We have added a few new preset buttons on the second prompt page of the report. These can be used alongside the standard buttons provided.

In addition, we have also added a new radio button prompt to exclude rows with no activity for the fiscal year.

This updated version of the report is now available in cu-data production.
