m-Fin ACCOUNTING SUMMARY BY SPEEDTYPE gets CURRENT prompt [1]

September 13, 2017 by Carl Sorenson [2]

We have added a CURRENT prompt to m-Fin ACCOUNTING SUMMARY BY SPEEDTYPE. So now you can focus on just the last period or two for your shoulder-to-shoulder comparisons of speedtype expenditures. Run m-Fin ACCOUNTING SUMMARY BY SPEEDTYPE in the CU-Data QA system to test. **[25Sep2017 migrated to production]**

This enhancement was suggested to us by Boulder auxiliary fund managers Brian Groves and Chris Gotski.
