m-Fin FINANCIAL DETAIL Enhancements [1]

November 21, 2012 by Carl Sorenson [2]

A new m-Fin FINANCIAL DETAIL is available for you to test in Cognos QA [3]. It has the following enhancements:

1. **POSTED DATE.** This is a new option added to the EXTRAS prompt.
2. **Source code drill.** This runs a simple look-up that shows some source code attributes.
3. **BRS drill.** For those of you who have student finance drilling [4], now amounts on old BRS era rows are drillable too.

To run Cognos QA you may need to shut down other windows running Cognos production.
