m-Fin FISCAL ROLES [1]

February 4, 2013 by Carl Sorenson [2]

Responsible for maintaining fiscal role assignments? Try m-Fin FISCAL ROLES. It's a new alternative to old Cognos *Look Ups > Fiscal Roles Look Up* report. Here is what the m-Fin report has that the old report does not:

- **SPD FSTAFF ROLE CODE.** This is the A, R, or B indicator on speedtype fiscal staff (Approver, Reviewer, Both).
- **SPD FSTAFF PRIMARY YESNO.**
- **Fiscal role selection.** Only interested in certain fiscal roles? Pick the ones you want.
- **Project accountant.** This is not a full-fledged fiscal role but is similarly maintained, so m-Fin includes it.
- **Orgnode fiscal roles.**
- **Page by fiscal role.** Each fiscal role gets its own worksheet tab when viewed in MSExcel 2007 or 2002 format.

- **Run for multiple orgs.**
- **Run for orgnode.**
- **Run for position number.**

This report is available now for you to try in Cognos QA, in the *Look Ups* subfolder.
[15 Feb 2013 migrated to production.] If you have other windows open to Cognos production you may need to close them.
