m-Fin OUTSTANDING ENCUMBRANCES Dataset Output [1]

December 11, 2014 by Carl Sorenson [2]

m-Fin OUTSTANDING ENCUMBRANCES sometimes would fail to return dataset output (*Excel 2007 data* and *csv*). The fail was particularly common for org | orgnode runs. It would spin endlessly instead of returning data. This is fixed now, and ready for you to test in Cognos QA. **[12-Jan-2015 migrated to production.]**
