m-Fin PAYROLL FISCAL YEAR DETAIL Dataset [1]

October 28, 2014 by Carl Sorenson [2]

Four columns have been added to the dataset output for m-Fin PAYROLL FISCAL YEAR DETAIL. These columns are convenience columns for dataset output only. They do not appear in the formatted output such as HTML. For EMPLOYEE and ACCT they provide the code and description in separate columns: EMPLOYEE_ID, EMPLOYEE_NAME, ACCT_CODE and ACCT_DESC. Interested? Test in Cognos QA. **[Migrated to production 17-Nov-2014]**
