The m-Fin PI [1]

January 21, 2016 by Carl Sorenson [2]

For projects, we are changing all m-Fin reports to get the PI from the PeopleSoft Finance 9.2 *project team* assignments. (PI is also known as PRINCIPAL INVESTIGATOR, PROJECT PRINCIPAL, and PROJECT FISCAL PRINCIPAL - these all mean the same thing). This change is approved by the controllers offices on each of the campuses. Since go live with 9.2 m-Fin has been getting the PI from the proposal instead of from the project team, and it turns out that sometimes this is a different person.

Quite a few reports are changing. When they are ready they all will move to Cognos QA at the same time and then as usual I will blog post to announce testing.
