October 24, 2012 by Carl Sorenson [2]

Need to track budgets and payroll actuals for positions? Try the new report m-Fin POSITION BUDGET available for you to test in Cognos QA. **[30-NOV-2013 This report is in production now.]** This is our m-Fin replacement for FishNet [3]'s POSITION BUDGET REPORT.

To help identify which position is which, it shows the current incumbent's name. We've made sure our m-Fin version can be run for sets of speedtypes, for an org, or for an orgnode.
