m-Fin POSITION BUDGET II [1]

September 24, 2026 by Sarju Khadka [2]

We have modified the Excel dataset for the **m-Fin Position Budget II** Report to make it more user-friendly and easier to read when downloaded to Excel. We have also added a **Position Description** column to the dataset.

The updated version of the report is now available for testing in CU-Data QA [3]. **[now in production]** If no issues are identified, we plan to migrate the updated report to production within the next couple of days.
